Here We Come!

Dear year 5 and 6 students and families,

It is with much excitement that we are preparing for our next group of students to visit the Australian Capital Territory.

The dates for travel are Monday 19th March – Thursday 22nd March 2018 – 3 nights, 4 days

We understand that the cost of this camp will be an impost for some families and we want to support all families so that all of our students have the chance to participate in this exciting learning opportunity. We are therefore expecting that a few families might choose to fundraise in order to offset some of the costs associated with this trip and there will be the opportunity to include the cost of the camp in any existing direct debit plan or to set up a new plan or to pay the camp off in instalments. The cost for each student is expected to be approximately \$870 (full cost before fundraising).

The Canberra Trip is something new for our community and we believe it will offer our students a unique opportunity to learn about the history of our nation in a hands on and memorable way. Students will also build their friendships and independence as they manage being away from their familiar environment.

To help us progress the bookings for this camp, all families are asked to return the tear off slip below, indicating their child's participation, together with a deposit of \$100. In the event that your family will have difficulty paying the full amount you are asked tick the relevant box and one of us will contact you.

We need to work together as a team- staff, students and families to ensure this Canberra experience is safe, affordable, educational and memorable. Please return the tear-off slip below together with the deposit by Friday 10th March, to enable bookings to be made as soon as possible.

If you have any questions, please speak to one of us or email.
